Engraving Quality

- ✓ We carefully etch the pendant into metal which allows for a highly detailed and sharp image.
- ✓ Pictures are engraved with a light background. This allows the ability to really showcase the subject and make the subject the 'star' of the pendant.
- ✓ We don't charge to merge multiple images onto one pendant.
- ✓ We offer a proof before engraving if the customer requests and can send the proof on the same day.
- ✓ We engrave the entire surface of the pendant so that you are getting the maximum effect of your beautiful photo.
- ✓ The quality of the pendant is superior. Our master engravers meticulously enhance every photo to give the sharpest image.

Engraving Quality

- ✗ Use a dot by dot engraving method which gives the picture a grainy quality.
- ✗ Pictures are engraved on a dark background which doesn't allow for the picture to stand out.
- ✗ May charge up to \$10 per photo or face for merging multiple photos onto one pendant.
- ✗ Can charge up to \$14.95 to email a proof plus there may be a one day delay for the proof.
- ✗ The image is condensed into a smaller area - leaving the rest of the pendant blank.
- ✗ The engraved image is much lower quality.

Selection and Options

- ✓ Several different modern and unique styles to choose from. There are hearts, rounds, dog tag styles and more!
- ✓ Stunning gold and silver finishes are available for each of our photo engraved pendant which allows the customer to choose what works best for their sense of style.
- ✓ Pictures come in different formats and we can accept jpg, png, doc images.
- ✓ We show exactly how many lines of text can be engraved and give font examples, allowing for ultimate personalization of your pendant.
- ✓ Add one line or add four - the price doesn't change. Multiple lines of engraved text can be added for a flat fee.
- ✓ We give an accurate and complete description of the pendant, what is included with your pendant, instructions to upload and the engraving process on each product page. We want you to know exactly what you are getting.

Selection and Options

- ✗ Limited styles available.
- ✗ Typically silver finishes only.
- ✗ Accepts only jpeg images
- ✗ Many competitors do not show or offer additional text personalization.
